

Portland Harbor Proposed Cleanup Plan And Official Public Comment Period

EPA is seeking public comment on the **Proposed Cleanup Plan for the Portland Harbor Superfund Site** in Portland, Oregon. Alternative I, EPA's preferred alternative, reduces risks to human health and the environment to acceptable levels by dredging or capping 291 acres of contaminated sediments and 19,472 lineal feet of contaminated river bank, followed by 23 years of monitored natural recovery. The preferred alternative also includes disposal of dredged sediment in an on-site confined disposal facility and upland landfills. This Alternative will cost approximately \$746 million and take 7 years of construction in the river. Comments on the preferred alternative and all other alternatives considered will be accepted from June 9, until August 8, 2016. The 60 day public comment period includes a 30-day extension required by law.

Official EPA Public Meetings to take oral and written public comments and overview the Proposed Plan will be held on the following dates in Portland, OR:

- June 24, 2016, 11:30am-8pm, City of Portland Building, 1120 SW 5th Ave.
- June 29, 2016, 11:30am-8pm, EXPO Center, 2060 N Marine Dr.
- July 11, 2016, 11:30am-8pm, University Place Conference Center, 310 SW Lincoln St.
- July 20, 2016, 11:30am-8pm, Ambridge Center, 1333 NE Martin Luther King Jr. Blvd.

Locations are easily accessible via MAX trains and bus lines.

Notify Laura Knudsen knudsen.laura@epa.gov or 503-326-3280, no later than **two weeks prior** to a public meeting to request language interpretation assistance.
